Thank you for purchasing the Mivi DuoPods M40 Wireless Earphones. This User Guide will help you get started with your new DuoPods M40 to get the best out of its many features!

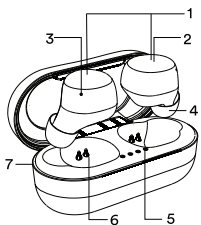

What's Inside

1. Mivi DuoPods M40
2. Charging Capsule
3. Charging cable
4. Silicone Gel Tips

Unit at a glance

- 1: Multi-function touch button (MFB)
- 2: Earbud indicator
- 3: Microphone
- 4: Earbud cap
- 5: Charging compartment indicator
- 6: Charging thimble
- 7: Micro USB charging port
- 8: lanyard hole

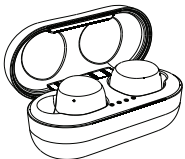

How to answer a third-party call?

1. Touch the MFB button of left or right earbud twice to answer third-party call while keeping the current call on hold.
2. Touch the MFB button once to end the current call and resume the previous call.
3. Touch the MFB button of left or right earbud twice to toggle between current call and third-party call.

How to charge DuoPods M40?

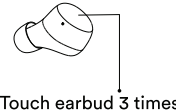

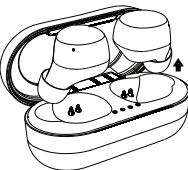

1. Place the earbuds back in the charging capsule to charge the DuoPods M40.
2. After the earbuds have fully charged, the 4 indicator lights of the charging capsule will turn on.
3. The earbuds will indicate a red light while charging.
4. The red light turns off once they are fully charged

Place the buds back in the charging capsule to charge

How to reset the device?

1. Disable the Bluetooth on the device and disconnect the earbuds.
2. Touch the MFB button 6 times when the earbuds are in a pairing state (the red light turns on and off).
3. Put the earphones back in the case and touch the MFB button until the red light turns on.
4. After the red light turns off and turns on again, the reset will be reset.

How to Claim Mivi Warranty?

M40 is covered with a 1-year warranty against manufacturing defects. In case you would like to claim warranty, please send an email with details of the issue you are facing and order information to the Mivi support email:

support@mivi.in
